Clemson, SC

Instituto Cervantes Diploma in Spanish Language & Literature

Universidade de Santiago de Compostela

Spring 2024

Santiago de Compostela, Galicia, ES

RELEVANT EXPERIENCE

MSW Generalist Year Intern

The Phoenix Center

Fall 2025 – Spring 2026

Greenville, SC

- Will be under the direct supervision of Daniela Cano (LISW-CP) to complete 150 hours during the Fall term and an additional 250 hours in the Spring term as a bilingual intern.
- Will be observing AADC-credentialed counselors assess clients, hold supervision meetings, perform staffing, and direct group meetings/counseling.
- Will be joining counselors at the Detox unit to assist in leading support groups once a week.

Community Health Worker Intern

Family Health Center, Inc.

Summer 2025

Orangeburg, SC

- Completed 80 hours of field experience while working alongside other CHW trainees, under the supervision of Ms. Katana Jones, to support the organization's mission to increase reach and accessibility to the citizens of Orangeburg, SC.
- Engaged with Orangeburg's Black communities to bring them FoodShare, Veggie Rx, Farmer's Market, community baby showers, an HIV/AIDS Mobile Clinic, medical transportation, and health wellness fairs to tackle and minimize risk factors for prevalent health conditions in the area.

Summer 2025

Community Health Worker Trainee (CHWTP)

SC State University

Orangeburg, SC

- Participated in an eight-week training program designed to enable the next generation of minority CHWs to address health disparities, improve health equity, and diversify the public health workforce, particularly in rural SC.
- Spent four weeks being educated in a classroom setting and another four weeks in a field placement internship in preparation for the SCCHW Certification Exam.

Mental Health Intern

Asociación Itinera

Spring 2024

Santiago de Compostela, Galicia, ES

- Spent thirty hours a week aiding in the resocialization of twenty-three Galicians with mental disabilities following extended periods of unemployment and/or discontinued education.
- Collaborated with an international group of interns to create and improve each week's planned academic, cultural awareness, and social inclusion activities.

Student Volunteer

La Cruz Roja Española, Cruz Vermella

Spring 2024

Santiago de Compostela, Galicia, ES

- Assessed the learning processes of disadvantaged primary school children to identify gaps in education resulting from socioeconomic isolation.

- Restructured Cruz Vermella's standard after-school program for this age group to shift focus from recreational gaming to engagement-based learning activities that reviewed class material and introduced the English language.
- Organized and coordinated English language classes for students in the program aged five to fourteen.

WORK EXPERIENCE

MSW Graduate Research Assistant

College of Social Work, University of South Carolina

Fall 2025
(Remote) Columbia, SC

- To be added.
- To be added.

Bakery Clerk

Publix Super Markets, Inc.

Summer 2020 – Fall 2021
Mauldin, SC

- Practiced good communication amongst superiors, consumers, and co-workers.
- Showed flexibility in working both day and night shifts, where major tasks differed.
